

Contract Agreement:

THIS AGREEMENT was made as of the ____ day of _____, 20__ , between [Junker] and _____.

Junker agrees that we will at all times faithfully, industriously, and to the best of our skills, ability, experience and talents, perform all of the duties required of our position. In carrying out these duties and responsibilities, the Contractor shall comply with all Junkers policies, procedures, rules and regulations, both written and oral, as are announced by Junker from time to time. It is also understood and agreed to by Junker that his assignment, duties and responsibilities and reporting arrangements may be changed by the Contractor in its sole discretion without causing termination of this agreement.

Overview:

* Contractor may contact Junker to go pick up all fallen vessels of a skirmish, battle, or unfortunate events

* The Contractor will pay for the scrap that they want back, a percentage in terms of how much metal you ask for will be determined (note: the other party will also be paying for an amount of their scrap if we have contracted to them)

* Example: Fallen ships (12) size? Small (12) how much scrap would like back? 50% 50% goes to you and 50% goes to us, payment? Half of the total payment which will be determine by Junker (may wish to include bonus calculations or omit in order to exercise discretion and confirmation that there isn't a scam)

* Contractor is not responsible for any damage from pirates or scavengers that attack the

scrappers

*Contractor will pay in advance of deployment of Scrappers

Scraper Operation:

*This Operation requires the Contractor to be present with one ship or one member of the Contractor's company, to confirm all ships that is the company's ships, NO MORE THAN ONE,

* The Operation will consist of 2 scrappers and 8 PMC ships (Total ships:11)

Price:

*Smaller ships - (TBD) credits

*Medium ships - (TBD) credits x2 of smaller

*Large ships - (TBD) credits x4 of smaller

*Behemoth ships - (TBD) credits x6 of smaller

*Fees for bringing PMC will be the price of a small ship if you aren't able to protect the scrappers

Termination:

*Any hostile or suspicious activity committed by Contractors will be considered a threat to the safety of Junker and the contract will be terminated

* At any time both groups can terminate the contract unless a Scraper Operation is going on.

* Unnecessary negotiations after the Scraper operation will be considered a default (to fail to pay money that you owe) and the scrap will be taken to Junker's station. Contract will also be terminated

*If Contractor fabricates the amount of how many ships there were, the scrap will be taken to Junker's station. Contract will also be terminated.
