

CONTRACT AGREEMENT DOCUMENT:

THIS AGREEMENT was made as of the ____ day of _____, 20__ , between [Junker] and _____.

The Employee agrees that he will at all times faithfully, industriously, and to the best of his skill, ability, experience and talents, perform all of the duties required of his position. In carrying out these duties and responsibilities, the Employee shall comply with all Employer policies, procedures, rules and regulations, both written and oral, as are announced by the Employer from time to time. It is also understood and agreed to by the Employee that his assignment, duties and responsibilities and reporting arrangements may be changed by the Employer in its sole discretion without causing termination of this agreement.

Contractor:

please checkmark one or more of the boxes

Engineer:

PMC Soldier:

Scrap Driver:

Programmer:

General Staff (Management)

_____, the Employee is required to perform the following duties and undertake the following responsibilities in a professional manner.

*Ability to repair your own vessel, never repaired? Then you'll learn under a fellow staff member

* Learning YOLOL programming even if not a Programmer so the Employee can keep their vessel from malfunctioning if loss of circuits and for easy repair

* Defend the Station under all circumstances

* Use the Discord, no other discord

* Other duties as may arise from time to time and as may be assigned to the employee.

Overview:

Compensation

* Housing - the Station will become like a second home to you

* Credits - As full compensation for all services provided the employee shall be paid at the rate of TBD. Such payments shall be subject to such normal statutory deductions by the Employer. (when the game comes out the rate will be changed for the employee to be able to gain Compensation)

* as an invoice to Jackal or Chinchilla please confirm all hours worked and what you did within those hours(may wish to include bonus calculations or omit in order to exercise discretion).

*Example: Repairs on Ships (3) Salvaging(2) Mining(1) = 6 hours| 6hours x Rate = how much you made

Main Staff (Engi, Programmers, Drivers) Requirements:

*ability to work on ships, you **MUST** either build your own ship or bring your own ship, (Drivers can ask for Compactors). You are obligated to repair your own ships

* No other Clans you should be involved in (Background checks will happen)

*Guns will be given as extra compensation

*Mining for Materials when a contract hasn't been made between Junker and another clan

PMC Requirements:

* You are obligated to repair your own ships.

*You are provided ships

* No other Clans you should be involved in (Background checks will happen)

*Guns will be given as extra compensation and are more powerful than Main staffs

*Max members are 10

*Training with Piloting and Shooting

After you have Signed this contract you are required to send in a resume of your game time, abilities, previous clan involvement and any info we need to know, we will contact you shortly after
